United State Bankruptcy
Court, Southern Dist.
Of New York

Dear Sir/Madam

My Name is Ailette Cornelius
my is the above.

I am a claimant of the unsecured creditors
my case number is 10702 (ALE).

A few days ago I got a call from one of the lawyers
who is representing the Debtors, he called to offer me an
offer of \$12,000 for my case. I told him that that I
think is a very small amount, however, if there is
no way that he could improve the offer I would take the
offer.

The reason why I am writing the court, is because
I am seeking security. I am agreeing to take something
that I think is not a good amount or offer.

I am therefore, asking the court to weigh

my options of settling or work it out into
the court. I tried to get the lawyers to
explain procedures options, but they refuse
to do so, telling me that they are not allowed
to. Please consider my options.

Yours Truly

Ailette Cornelius
